

Preparation for Entrance Examination

- 1. Upcoming exam schedule**
- 2. Let's decide the school
you want to enter!**

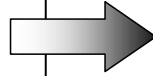

~For 3rd grader in Japanese junior high school~

1. Schedules for upcoming exam.

37

July

First survey about
future study perspectives

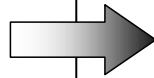

- Do you like to attend high school or to start working?
- Do you like to go to a Tokyo Metropolitan high school?
- Do you like to go to a private school?
- Do you have a preferred high school?

Academic performance of 1st Semester

- Academic records of the 1st semester are crucial!

Parent-Teacher-Student Meeting

- Which high school is your first choice?
- Study plans during a summer holidays.
- High school visit during the summer holidays.

Things to do during the summer
holidays

Let's attend supplementary lessons at
school or visit high schools.

Let's study hard during the summer holidays!

**Summer holiday is the most important time
for your studies!**

**Study Japanese, Math and English
Attend the local tutorial support class, if
you can!**

September 2nd Semester

Gather information on High Schools!
There are school cultural festivals, introductory sessions etc. from September to December

Check the school homepage!

•Take a trial examination at school/other venues at least once in the second semester.

October
