

Tokyo Metropolitan High School

Full-Time Program and Part-Time Program

Program	Days to go to school • Class time
 Full-Time	• Class starts from 8:30 am to 3:30 pm. • School day is from Monday to Friday but some school has class on Saturday. • 3 years for graduation.
 Part-Time	• Take class either in morning, afternoon or evening (class time is 4 hours) • Day and Night Part-Time High Schools which has the 3-part school system (morning, afternoon, evening) and Night Part-Time High Schools using the same school building as Full-Time High School. • More than 3 years for graduation.

There are grade system and credit system schools

Grade system	◇ What you study differs by the Grade ◇ If you earn the required number of credits for the academic year, you will advance to the next academic year (if you do not earn those credits, you will remain in the same academic year (<i>ryunen</i>)).
Credit system	◇ No difference in grade level, just choose and take the required number of credits for the school year ◇ No difference in grade level so no <i>ryunen</i> but you have to take the credit needed for graduation.

1 class hour $\Rightarrow$ 1 credit

There are 4 types according to what you study

Types	What you study
General Subject Course	▪ Focusing on studying general subjects: Japanese, Social Studies, Math, Science, English etc.)
General Subject Course with a Course System	▪ While studying general subjects, focusing on the specific field as well (Foreign Cultural Course or Fine Arts Course etc.)
Specialized Subject Course	▪ Studying technology, specialized knowledge and basic skills directly related to the profession. (Commerce, Industry, Agriculture, Information, Art etc.)
Comprehensive Subject Course	▪ There are subjects related to not only General but also Specialized Subjects available to choose
